

PureWash- 2216

Plant-based, concentrated washing-up detergent

Foaming, neutral detergent for hand washing crockery, cutlery, food preparation utensils and general cleaning. Contains foam boosters, a pleasant non-tainting perfume and grease cutting surfactants that leave crockery clean and streak-free. A neutral pH and choice of detergents means it is mild to the hands. May be used in hot, cold, soft or hard water. Suitable for use on all type of hard surfaces for general cleaning.

- Performs well
- Neutral pH, safe to use on all surfaces
- Contains foam boosters
- Excellent grease removing ingredients
- Versatile
- Suitable for use in soft or hard water
- Contains a pleasant non-tainting perfume
- Economical in use
