

PureGum

A plant-based remover for chewing gum

Quickly and effectively removes fresh and ingrained chewing gum, stickers and rubber scuff marks from both hard and soft surfaces, carpets, upholstery, clothes.

Specifications

Appearance	Clear mobile liquid
Colour	Clear
pH	9.7

- Low evaporation rate
- very quick acting
- Removes rather than dissolves - leaves no sticky residue
- Low odour - increased operator comfort
- Uses biodegradable raw materials
- Suitable for use on most surfaces
- Gel formulation

Method

Use neat no need to dilute

Hard Surfaces

Apply the remover over the gum. Allow it to dwell for 5 minutes. Remove the chewing gum with a plastic bladed scraper or by gently agitating the effected area with a non abrasive pad. Wipe off any residue with a clean damp cloth then rinse. For best results, wash with a mild detergent.

Soft Surfaces

Prick the surface of the chewing gum. Apply the remover over the gum. Allow it to dwell for 1 to 5 minutes. Remove the chewing gum with a plastic bladed scraper, a blunt knife or by gently agitating the effected area with a non abrasive pad. Wipe off any residue with a clean damp cloth then rinse. For best results, wash with a mild detergent.

Removing Rubber Scuff Marks

Moisten a clean cloth with the remover. Rub the mark until removed. Wipe off any residue with a clean damp cloth then rinse. For best results, wash with a mild detergent.

Cautionary Notes

When removing chewing gum from plastic or painted surfaces, always check for surface compatibility.

When removing chewing gum from carpets or foam-backed surfaces, do not over-apply as it could cause the foam to swell. When removing chewing gum from carpet or carpet tiles that are glued to the floor, do not over-wet as it could soften the adhesive.

Note:

We provide information and advice on application technologies and relevant regulations based upon our current knowledge and opinion. We make no representation or warranty of any kind, express or implied, including merchantability or fitness for a particular use, with respect to such information or its application. The customer must independently determine the suitability of our products for the customer's intended product, use or process. The customer is responsible for observing all laws and regulations relevant to such products, uses or processes.
